

# Social Networking

Social networking is a big part of many people's lives across the globe. Pick any social networking site and answer the following questions:

1. In your opinion, what is the purpose of the site?
2. How many people are members?
3. How long has the site existed?
4. What are the potential benefits (if any) of this site?
5. What are the potential problems (if any) of this site?

Sites:

<https://www.facebook.com/>

<https://twitter.com/>

<https://www.linkedin.com/>

<http://www.pinterest.com/>

<https://www.tumblr.com/>

<http://instagram.com/>

<https://www.flickr.com/>

Others?

## EVALUATE

After you have explored the site and answered the questions above, analyze the information and develop an opinion on the overall usefulness and value of the site in general and the overall usefulness and value of the site to grade 6 students.

## EXPLAIN

Prepare a summary online post that expresses your opinion on the pros and cons of social networking as it relates to the site you explored. Describes the pros, the cons, and summarize your overall opinion of the site.
